An aerial photograph of a wide, sandy beach. The sand is a mix of light and dark brown tones, showing various textures like ripples and tracks. A single person is walking along the beach, leaving a trail behind them. On the right side, the ocean waves are crashing onto the shore, creating white foam. The overall scene is serene and expansive.

A dark, atmospheric photograph of a person wearing a black hoodie, sitting in the driver's seat of a car. The person is looking out the front windshield, which is covered in a thick layer of fog or mist. The interior of the car is dimly lit, with some details like the steering wheel and dashboard visible. The overall mood is mysterious and contemplative.
