COSIMA TRAORÉ

COSIMA TRAORE

SINGER MUSICIAN

From a young age, music has been at the heart of her world. Passionate and driven, she now writes, produces, and performs her own songs, blending her unique voice with a wide range of influences. Her multicultural upbringing and extensive travels have shaped both her sound and her outlook on life. This past summer, she performed several live shows, including at a renowned festival in Biarritz. With more dates ahead and her debut EP set for release in early 2025, her artistic vision continues to evolve.

A lifelong equestrian, she has a deep appreciation for aesthetics in all forms, whether it's the curves of a sculpture, the lines of a car, or the movement of a horse. Beauty in shapes and forms fuels her creativity and shapes her unique perspective.
