

THE WAVES

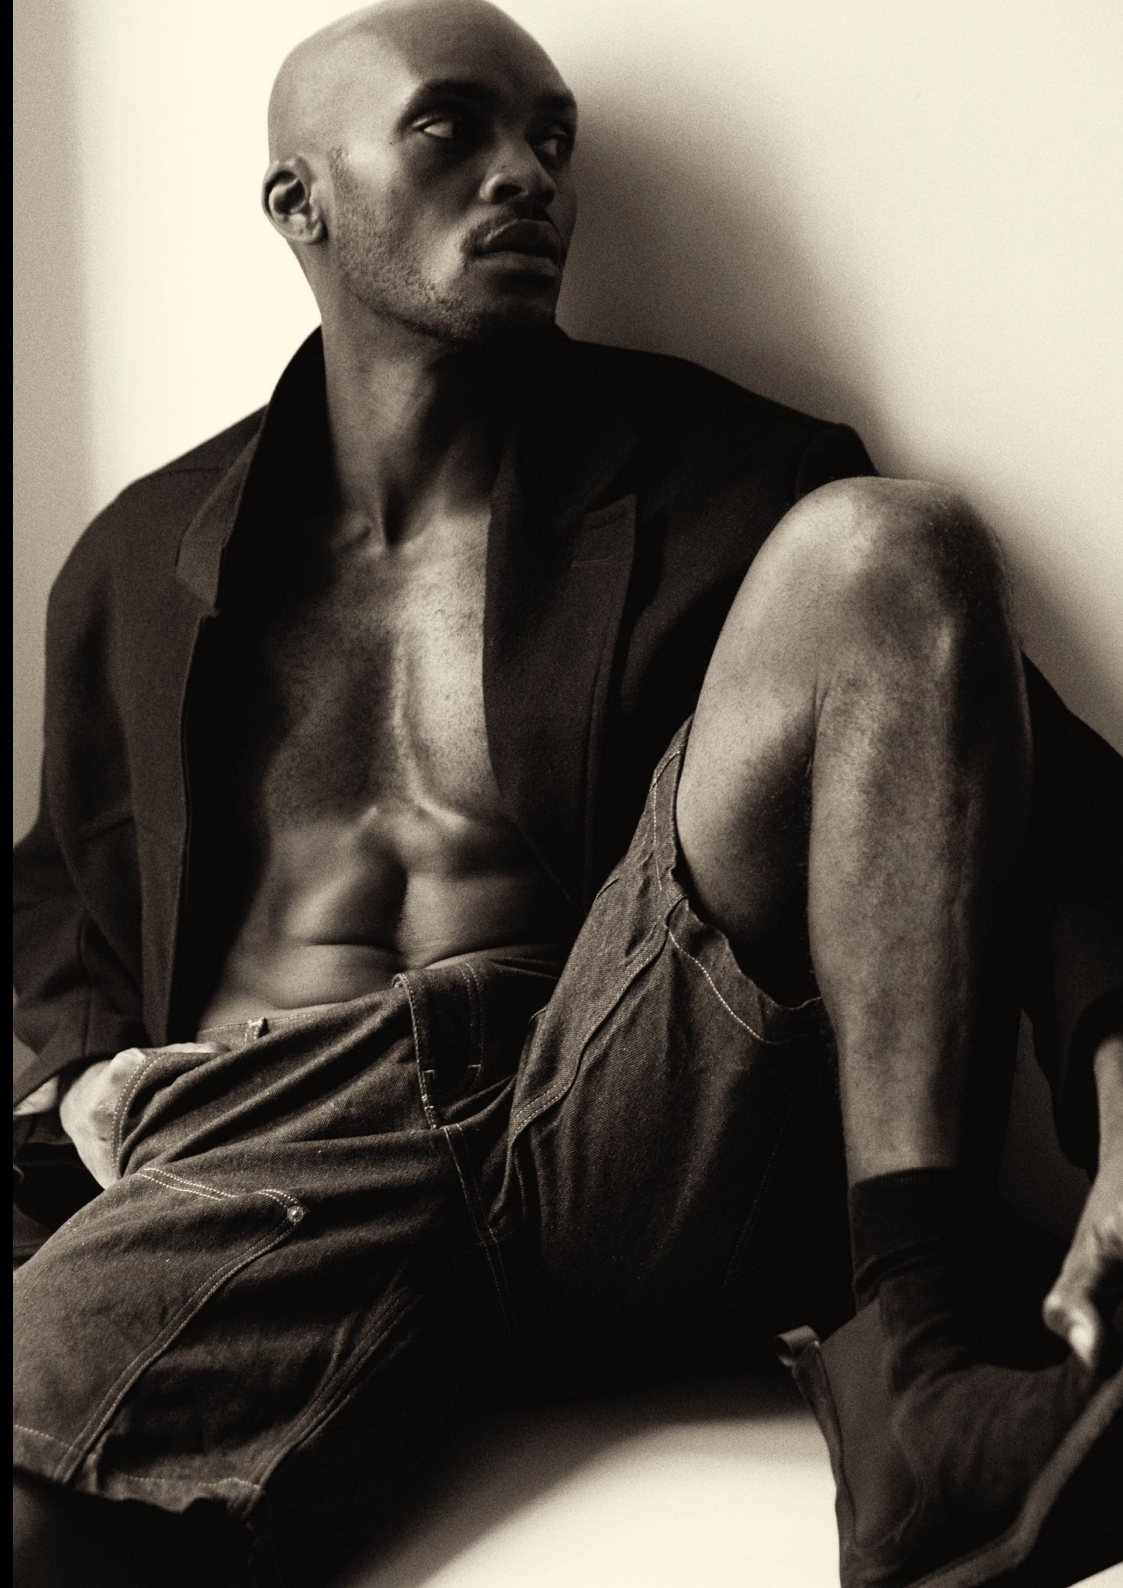

CEDRICK

Cédric is a French-Canadian talent born in Guadeloupe, working across fashion, cinema, and contemporary visual culture. An international model since the age of 20, he combines a strong on-camera presence with a refined artistic sensibility.

Trained in acting and also active as a painter and illustrator, Cédric brings depth and intention to every project. His work explores identity, duality, and emotional memory through a raw yet controlled aesthetic.

Having lived in Canada, South Africa, Paris, and New York, he embodies a hybrid profile, approaching each collaboration as a dialogue between body, image, and emotion.
