

THE WAVES

EGOR SIMON

EGOR SEMENOV

ACTOR

Egor began his international journey as a model in Paris, quickly establishing himself on the global fashion stage. Over the years, he has walked the runways for renowned A-list brands such as Dior, Balmain, Comme des Garçons, and Trussardi. His distinctive presence and creative versatility have also earned him editorial features in publications like *Fucking Young*, *Kultblut*, *Vogue*, and even a cover appearance for *WWD*.

His career later brought him to the dynamic Asian market, where he became a standout figure in fashion hubs such as Shanghai and Singapore, continuing to make his mark on international runways and in editorial work.

Today, Egor is channeling his artistry into cinema and theater, refining his skills at Cours Florent, one of France's most respected drama schools, known for shaping versatile, international talent. His commitment to performance has already earned him a scholarship, and he made an impactful debut in an award-winning short film. Bridging the worlds of high fashion, stage, and screen, Egor continues to build a bold and multifaceted creative career.
